## MMA Advantage

The rapid pace of federal and state regulatory changes is increasing, leaving employers and their already-stretched human resources teams scrambling to keep up with the latest information, rules, and requirements—resulting in confusion, frustration, and risk. There are more than nine types of spending and reimbursement accounts in the marketplace with nuances that vary from claim processing, discrimination testing and IRS updates, to name a few. Our specialists provide services you can count on:

- In-house resources including service managers, employee advocates, ERISA attorneys, and compliance specialists;
- Robust employer/participant portal and mobile app with real-time access to account information including account summary, claims history, and tracking, and print version of notices and letters;
- Pre-paid debit card for participants;
- Daily claims management for fast reimbursement;
- 24/7 Participant IVR System for Frequently Asked Questions, and Participant-focused Call Center;
- Service Guarantees;
- Partnership with FSA Store;
- Pay your providers directly;
- Real-time access to account information including account summary, payment history, paid-to dates, and print version of notices and letters.
